MOULDING CONTENTS/

Founded in 1988 Cheshire Mouldings has built up a strong reputation as one of the most trustworthy and reliable companies in the country. Our 24 years of experience mean we know what our customers want and need from our high quality mouldings; reliability, style and all round excellence.

This collection of first class mouldings can form the foundation of a room or add the finishing touch to any job. Top quality mouldings can be the difference between creating something good and something truly special. So if you're looking for the highest standard mouldings available then you're in the right place.

MOULDINGS OVERVIEW/

Our exquisite range of timber mouldings can be used all around the home for a variety of reasons. From hiding gaps, joins and edges to adding that extra special finishing touch. These mouldings are perfect for professionals.

ANGLES/

Angles are ideal for use on external and internal corners to hide screw fixings and minor errors. They're also a perfect way cover rough edges on worktops, shelves and where two boards join.

ARCHITRAVE & SKIRTING/

These decorative mouldings add a high-quality finishing touch to rooms. They also allow you to hide those little gaps between walls, floors and doorframes.

COVERS/

The ideal finishing trims. A simple way to create a high-quality professional finish by adding smooth and sleek edges to shelves, worktops and cladding.

COVING/

Coving provides a simple and attractive way of softening the square edges of a room and can also be used as a clever way of concealing joins between walls and ceilings.

DECORATIVE/

This range of decorative profiles delivers real quality and real style. We've got a fantastic range of over 40 decorative profiles available in a variety of timbers including everything from astragals, broken O.G., panel and reeded designs.

DOWEL/

Our high-quality dowels are available in different timbers including Pine and Light Hardwood with sizes ranging from 6mm to 38mm diameter and in 2400mm lengths.

GLASS BEAD/

Our Glass Bead collection brings you everything from the ordinary to the extraordinary. This range offers not only the standard shapes but also Wedge Bead. Available in Pine, Red Hardwood and Light Hardwood.

PVC & ALUMINIUM/

Our range of plastic and aluminium profiles are the perfect choice if you're looking to create a more contemporary feel to a room. We offer a choice of eleven profiles that all deliver quality, style and value.

QUADRANT/

Our comprehensive collection includes 29 various sized quadrants in a variety of timbers including Pine, Light Hardwood and Oak. Available in classic 2400mm lengths.

SCOTIA/

Scotias are an ideal tool for the professionals. They give you the option of applying decorative trims that cover gaps and rough joins on internal corners to achieve a faultless finish.

STRIPWOOD/ PSE

Our extensive range of Stripwood is ideal for use as battens in small construction jobs. They're perfect if you're looking for something sturdy, reliable and well presented.

MISCELLANEOUS/

Our range of mouldings extends even further with all kinds of distinctive shapes including door stops, corner joints, pigs ear and mopstick shaped handrails.
